AUDIO/VISUAL RECORDING AND PHOTOGRAPHY CONSENT (please check one)

On occasion, video recordings, audio recordings, and photographs are taken of children during church and diocesan sponsored activities. These are utilized in newsletters, websites, event promotion, advertisements and other printed media. As the State of Texas does not prevent audio or video recording or the photographing of children (*with the exception of Senate Bill 1, Section 26.009, which deals specifically with school districts*), it does encourage parental consent. Additionally, current video recordings and photographs assist law enforcement agencies dealing with the Missing Children's Program. I **consent**/ **do not consent (check one)** to the use of such materials in which my child may appear. I release the staff and volunteers of St. Martin de Porres Catholic Church and the Roman Catholic Diocese of Austin from any liability connected with the use of my child's picture or audio/video recording as part of the above or similar activities**. Please note that if the above section is left blank, it indicates your consent.**
